Re: Waiver to Permit Intelligent Transportation System Licenses to Use C-V2X Technology in the 5.895-5.925 GHz Band

To whom it may concern:

In response to the Public Notice, DA 21-962, Released: August 6, 2021, GDOT is requesting consideration of a waiver per the guidance outlined in the document. In accordance with the standard established under Section 1.925, consistent with the Commission's directive, GDOT certifies the following:

- (1) There are no existing ITS licensees authorized to operate within the geographic area of the City of Johns Creek
- (2) C-V2X operations will comply with existing technical rules for DSRC-based technologies
- (3) Operations will be revised to comply with any final rules that the Commission adopts for C-V2X operations; and
- (4) C-V2X operations will be limited to transportation and vehicle safety-related communications.

For additional information regarding this waiver request, please contact Alan Davis at aladavis@dot.ga.gov.

Sincerely,

Alan S. Davis, PE, PTOE
Assistant State Traffic Engineer
